Direct Admit Wisconsin is an initiative by some Universities of Wisconsin to proactively offer admission to qualifying high school students between their junior and senior years. This removes the traditional application process and uses data provided by schools to admit students. The District's participation in Direct Admit Wisconsin allows the District to release student name, WISEid, student ID, graduation year, address, e-mail address, GPA, legal sex, and race/ethnicity. Demographic information is collected for aggregate federal reporting only, and is not a factor in direct admission decision process. If you DO NOT want the District to release this information to **Universities of Wisconsin**, please check the selection below.

_____ **Choice UWDA: Do not release any directory data or information about me/my child to Universities of Wisconsin for the Direct Admit Wisconsin program.**
