

In Art class students have been working very hard at combining Zentangles and owls into a masterpiece. Look for these colorful works at the Art Show on April 29th!

Mark your calendars for the Annual Art show April 29th!
Can't wait to see you!

The latest round of theatre class showcases took place last week and were successful. The audiences responded positively to what the kids presented. The kids were up to the challenge, especially so after all the snow/cold days that we weren't together.

The newest class has begun this week. It is a terrific group, with some rookies and some veterans of previous classes. They will be dancing to the Neil Diamond song "Sweet Caroline" ...ba ba ba! Good times never seemed so good!

THANK YOU ALDO FAMILIES!!!

**We raised \$312 dollars in our last Sting Cancer Hat day collection!
Thank you to everyone who so generously donated.**

P.E. NEWS

Hello from the PE Dept! Is it ever going to stop Snowing?!! During the month of March, the Middle school kids will be participating Badminton, and Pickle ball units, along with their favorite Fitness units. The Elementary kids will also be working on hand eye coordination skills and modified games. Keep moving, the snow will stop I Promise!

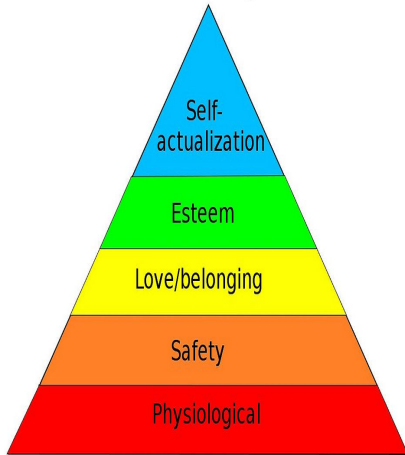

Spanish classes are busy beginning independent projects in the next week, and working on building verbal proficiency. Our elementary kids are practicing and getting ready for our rescheduled Spanish Speaking Contest at Chappell on March 11 (we were snowed out on the original date in January), and are working at telling us all about themselves.

Middle school students will have the opportunity for a multi-disciplinary field trip in the spring. Be on the look-out for information about the learning opportunity that is coming your way!

The LMC has lots of new books for the students. Third, fourth, and fifth graders are learning to read books online from Follett Destiny and also Overdrive. Ask them to show you how to do this sometime at home. The Middle School students will be doing research with Jaime and Eva this week. February 28, 2019 is Digital Learning Day, an event that is nationwide to stress innovation in learning. The LMC will be reading books online as part of this day. (week)

Maslow's hierarchy of needs

SMALL GROUPS

Small groups being offered now are Changing Families, Social Skills (using the Zones of Regulation), Friendship and Children of Incarcerated Parents. The groups will begin March the week of March 11th. If you would like your child to be a part of one of the groups, please contact Kelly at 448-2140, ext. 10320. Letters went out to parents of students referred by teachers.

Classroom Guidance

Classroom Guidance for K-2nd grade begins this week! Topics will revolve around problem solving, kindness, career exploration, and healthy living.

Individual Counseling

Students are always welcome to talk to me or my Interns for personal/social issues. They need to let their teachers know and they will contact me to set a time on my schedule. If you feel your child would benefit from this, feel free to give me a call at 448-2140 ext. 10322.
