

A BIG THANK YOU to all of you who volunteered, and came to the Art Show! We sold 200 pieces of student art and had numerous donations in the buckets! I loved seeing all of the happy artists find their work, and see the look on their faces. Thank you to all the community artists who shared their gifts with us! I feel grateful to have such a supportive school. See you next year!

Theatre Class has been busy as usual, exploring the different ways that theatre affects our lives. We've developed a language whereby we can describe our feelings about things that we've seen. We continue to dance! We're soon going to be working on our reader's theatre piece to be presented at our showcase.

Hello from the PE Dept! Spring is here, well kind of. Time to get outside and exercise. During the month of May, the middle school kids will be completing their spring fitness testing and also playing some softball. The elementary kids will also be completing some fitness testing along with some locomotor skill testing. Looking forward to a strong finish to the end of our school year!

Spanish students continue to grow proficiency skills, but we're beginning to focus on cultural activities and experiences. Be sure to ask your students about Cinco de Mayo and why it is more important in the United States than it is in Mexico!
