

Aldo Leopold Middle School

NEWSLETTER

November 2018

Lunch

First lunch n learn is from 9:30-9:53am. Middle school students get a choice of eating breakfast, going outside or going to teachers classroom with teachers permission. Second lunch is from 12:35-12:53 pm during this time students usually eat but same rule applies as first lunch n learn. Middle school students get a choice of a la carte. In the a la carte students can choose more options of drinks and snacks. On Fridays, middle school students get the choice of Domino's pizza.

School Trips

New Zoo Trip - 6th Grade

Written by Matthew Lagerkvist, Interviews by Emerson Messenger

We interviewed a student and staff member that went to the New Zoo in September. The students that went did the 'Adventure Park' which includes a high ropes course and a zipline.

The student we interviewed was Leah Hansen. The question we asked was 'What did you do during the trip?' Leah told us they did the high ropes course and went ziplining. She said it was very fun and that she would do it again. She told us it was her favorite part. Sounds like a great time.

The staff member we interviewed was Amy Crum. She told us the trip was about perseverance and teamwork. She said she did the zipline and thoroughly enjoyed it. The zipline seems to be pretty popular. Her favorite part of the trip was seeing the students overcome their fears. It's always great to hear about a good field trip.

Volunteer Opportunities

If you are interested in any of the following events or want further information, email Emilie at echeil@gbaps.org.

- After school activities- We will need help in present and future after school clubs/activities. You could also create your own if you really want to.
- Field trips- We always welcome volunteers to come on the many field trips we get the opportunity to go on this year. Your student will come home with a slip and it will have information about the trip when the time comes.
- Yearbook - Yearbook is mostly middle school run but if available we would like 1 or 2 middle school parents to help.
- Student council popcorn - Student council is popping popcorn a few times a year to raise money for the school. If you are interested please contact Jaime Danen at jldanen@gbaps.org.
