A Peek At What We Are Learning

Reading

This month we have been practicing good "habits" in reading. We have been working on building our stamina with reading to self and reading with a buddy. We have also been enjoying exploring our new classroom libraries!

Writing

We are learning how to use detail to zoom in on a small moment narrative story. We are practicing how to stretch out sounds independently to spell words when we write.

Phonics

We have been practicing letter formation and writing our name correctly. We are learning about rhyming words and letter sounds.

Math

1st grade: We have been practicing skip counting by 2's and 5's and 10's. We have also been practicing addition within 10.

2nd grade: We are reviewing addition and subtraction strategies for facts up to twenty.

Content

We began our communities unit and are comparing Green Bay in the past to present day.

Reminders

- Please check your child's red important folder nightly and send back in backpack daily.
